Practice Type: Tri-County Psychological Services, Inc., provides mental health services to rural southwest Missourians. In addition to psychological and neuropsychological assessments, individual and family therapy, and the capacity to treat a wide-range of ages and problems, Tri-County also is a state-certified outpatient substance abuse program and is the treatment provider for the county's Drug Court. Wellpointe Family Medical Clinic, a certified Rural Health Clinic and sister facility, provides for a more integrated health care complex by offering both general medical as well as mental health services.
